

# Machinery Health Management

Delivering Innovative Solutions for 25 Years.

## COMMITTED. STABLE. PROVEN

### 25 YEARS AND COUNTING

CSI technologies are proven every day—each time a fault is detected or an unnecessary shutdown is avoided. When a maintenance activity is planned instead of reacted to, CSI technologies deliver on our commitment to innovative solutions.

Through continual investment in technology development and innovation, we demonstrate our commitment to customer success.

### DEDICATED TO INNOVATION

- ✓ Nearly 100 patents
- ✓ First company to integrate multiple technologies into one software application
